Lord's day May 22nd. Good audience in the forenoon preached from the words – His name shall be called Wonderful &c and then Baptized Eneas & Tamar infants – Towards the afternoon it rained & hindered our English service – The names of the children are Thomas & Edward

May 25 – Wednesday – visited Sandilli Craal & preached to an audience of about twenty individuals – They professed love to the word spoken – which I derived, because their works did not agree with their words. Sandilli himself was not at home.

May 27 – Visited our Fingoe Station – (Chief Gorgias Craal) – Had a good attentive audience – They are really very interesting people – It was highly pleasing to hear Chief Gorgias & his men – making the spontaneous statement that they felt quite unhappy when we happen not to come & that when they know the day on which we are to come, they sit looking in the direction in which we are to appear – On making this very encouraging statement I said to Chief Gorgias – that I had preached the word of God in places where I was not welcome – & that I felt it my duty & my pleasure & disagreeable – that I found it greatly cheered & encouraged my heart to hear such a statement from him – May God bless my humble efforts in that place. We are much interested in the children – They are very quick & intelligent – which the following facts are ~~may be perceived in the Fingoes~~ – When one day we surprised Chief Gorgias & the rest of the men, if they had collected any of those things we had spoken to them on a previous occasion – he after mentioning one or two – did you see those people (– pointing to the children) – they remember two more of what you say than we do – & we in truth be ashamed ~~to the~~ among ourselves about these things – have often to refresh our memories by asking them – ~~I do think it is~~ When we heard this, & seeing the collection & the anxiety to
