
ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

I am deeply indebted to my supervisor **Prof. A.J. Afolayan**, for his excellent supervision, guidance, encouragement and constructive criticism throughout the course. I also thank **Prof. D.S. Grierson** my co supervisor for his contribution.

I thank my parents for their moral support and encouragement

I am so grateful to Mr. & Mrs. Moodley for providing accommodation during my stay in South Africa and I thank my friends Vedic, Jaipal, Jagadishwar and Sampath

I thank Dr. Yakubu for his assistance in *in vivo* experiments

I thank Dr. Mostafa for his assistance with the chemical analysis and NMR techniques and interpretation

I thank the NRF for providing bursary to carry out my study in South Africa.

Also I wish to thank the sangomas and herbalists who provided ethnobotanical information.

Last, but by no means least, I would like to thank my brother **Mr. Ravindra Chary** for the moral and financial support to the study, and his wife Girija, son Sri ram and daughter Sreshsta.
