This paper consists of two sections: Section A and Section B.

You must answer ALL questions in both sections.

SECTION A: SOCIAL PSYCHOLOGY (75 Marks).

SECTION B: COMMUNITY PSYCHOLOGY (25 Marks).

## **SECTION A: SOCIAL PSYCHOLOGY**

### **Question 1**

Racism has such a debilitating effect on society. Even in post-apartheid South Africa, we are bombarded with racial slurs, with social media being a particular vehicle in promoting hate speech.

In light of the statement above, discuss some of the psychological consequences of racism (25)

### **Question 2**

In understanding the process of developing an identity, certain constructs come into play (as espoused by Tajfel and Turner, 1979, and Adorno, 1950). Discuss the development of the authoritarian personality in understanding identity as well as the processes within inter-group conflict. (25)

### **Question 3**

Gender-based violence has become a dominant phenomenon in 21<sup>st</sup> century society. This has led to atrocious crimes perpetuated against women and children.

In relation to this statement, discuss the models of psycho-dynamic perspective in understanding "crimes of passion" as an aspect of gender-based violence. (25)

## **SECTION B: COMMUNITY PSYCHOLOGY**

### **Question 4**

Identify: The personal values that you think a community psychologist should have in Post- Apartheid South Africa to give momentum in the field of community psychology? (25)
