DOCTOR'S DEGREE

DOCTOR OF PHILOSOPHY IN AGRICULTURAL ECONOMICS

NOMAKHAYA NANCY MONDE A PROFILE

Nomakhaya Monde was born on 18 August 1965 in the Peddie district and matriculated at Amazizi High School in 1985. She was initially employed by the former Ciskei Department of Agriculture in 1986 as a Pupil Agricultural Officer. In 1987, she enrolled at Fort Cox College of Agriculture in Middledrift and studied towards the Diploma in Marketing and Co-operatives, which she completed in 1989, with distinction.

In 1993, she was granted leave from the Department of Agriculture to study at Fort Hare where she graduated with the Bachelor of Agriculture degree in Agricultural Economics in 1995. She then rejoined the Department in 1996 and worked as an agricultural economist. In 1997, the Department seconded her to the Agricultural and Rural Development Research Institute as a researcher. During her secondment, Nomakhaya continued her studies and obtained the Bachelor of Agriculture Honours Degree in 1998. In 1999, she registered for a Masters degree and in 2001, on the grounds of her outstanding research, it was decided to upgrade her registration to a PhD degree.

Her doctoral thesis is: "Household food security in rural areas of the central Eastern Cape: The case of Guquka in Victoria East and Koloni in Middledrift districts". The objectives of the study were to determine the degree of food security or insecurity among contemporary rural households in the central Eastern Cape and to determine food security strategies employed by these households.

Together in Excellence

One of the external examiners regarded this study as groundbreaking work that makes a substantial contribution to the understanding of food security on household level and especially on survival strategies. This study has already attracted a good deal of interest from various sources. This is a historic moment because, as far as can be ascertained, Nomakhaya Monde is the first Black woman to be awarded a Doctor's degree in Agricultural Economics in South Africa.

OMOTAYO RAFIU AWOFOLU A PROFILE

Omotayo Rafiu Awofolu was born in Lagos, Nigeria. His secondary education was at Lagos African Church Grammar School, Ifako Lagos. He later attended Lagos State College of Science and Technology where he graduated with the National Diploma (ND) in Chemical Technology. He proceeded to Lagos State University, Ojo Lagos where he obtained his Bachelor of Science Education (Hons) degree in Chemistry. After completing the one-year National Service, he enrolled at the University of Lagos Akoka Lagos where he obtained his Master of Science (MSc) degree in Chemistry in 1990.

He joined the service of Lagos State University in 1991 as a lecturer in Chemistry before proceeding to the University of Fort Hare, South Africa for his doctoral degree. His doctoral thesis, entitled "Methods for Selective Determination of Persistent Organochlorine Pesticide Residues and Toxic Heavy Metals (Hg, Cd) and Zn in Water Systems" has been able to establish, using developed sensitive methods, the presence of these pesticides, including endocrine disruptors in some South African aquatic ecosystems, thus strengthening this frontier of knowledge and providing a data base for this class of compound in the country. TRANSLATION: ELELE HOMNA! - EXCLAMATION, PRAISE WORDS.

You are the Great God who dwells in the heavens.
You are the true shield.
You are the true fortress.
You are the true forest (of refuge)
It is you who dwell in the highest.

You created life, you created on high.
You are the creator who created the heavens
You created the stars and the Pleiades.
A Star flashed forth, bringing us your message.
You created the blind - did you not create them for a purpose?

University of Fort Hare

The trumpeter has sounded, it has called us.
You are the hunter who hunts souls.
You gather together flocks rejecting each other.
You are the Great Blanket with which we are clothed.

Your hands are wounded.
Your feet are wounded.
Your blood - why is it streaming?
Your blood was poured out for us.
Are we worthy of such a ransom?
Are we worthy to enter your homestead.

Elele homna!

Arranged J.K Bokwe, and as performed by S.T Bokwe

NATIONAL ANTHEM (SHORTENED VERSION)

Nkosi sikelel' I Africa.
Maluphakanyis' uphondo lwayo,
Yizwa imithandazo yethu,
Nkosi sikilela, thina lusapho lwayo,
Morena boloka setjhaba sa heso,

O fedise dintwa le matshwenyeho.
O se boloke, O se boloke Setjhaba sa heso,
Setjhaba Sa South Africa, South Africa.

Uit die blou van onse hemel.
Uit die diepte van ons see.
Oor ons ewige gebergtes.

Waar die kranse antwoord gee,
Sounds the call to come together,
And united we shall stand.
Let us live and strive for freedom.
In South Africa our land.
