INSTRUCTIONS

1. Please note that all questions are compulsory from both Section A and choose only ONE in Section B.
2. If you are writing online ensure that you have a stable network connection before commencing with the Final Assessment.
3. Also, check your area load-shedding schedule to avoid power cuts while writing
4. Kindly avoid copying and demonstrate a thorough understanding of the content through practical examples

Section B: (answer only one question) Discussion questions. (27)

1. Illustrate how both the group theory and public choice theory contribute to decision-making during policy-making (27)
2. Identify a social ill in South Africa and through the Public Policy Cycle develop a policy that will resolve the problem (27)
