

# ARDRI

OCTOBER, 1990

AGRICULTURAL AND RURAL DEVELOPMENT  
RESEARCH INSTITUTE  
FORT HARE

## INTRODUCTON

This directory lists individuals and organisations involved in agriculture and rural development in Ciskei and the Border area. Its purpose is to provide a ready source of this information - *especially to those who, for any reason are unaware of the potential assistance that is available to them.*

Part One of the directory lists individuals according to their subject areas. The information was obtained by distributing questionnaires to appropriate institutions and organisations in order to identify the various fields and specialities of their staff. The subjects reflect the choice of each respondent.

Part Two contains information relating to the Ciskei Ministry of Agriculture, Forestry and Rural Development, in the form of an **organogram** and telephone listing.

Part Three lists those private and state organisations active in agriculture and rural development operating in Ciskei and adjacent areas.

Grateful acknowledgement is made to the Ciskei Small Project Foundation whose funding made this compilation possible.

University of Fort Hare  
Together in Excellence

## **USING THE DIRECTORY**

To make use of the directory, consult the index on page one to establish the section required. The names of individuals concerned with specific subjects are found by using the subject matter index on page two which provides a detailed listing of each subject surveyed.

Please note:

Due to a recent update, some of the telephone numbers of the Ciskei Ministry of Agriculture, Forestry and Rural Development, appearing in Section One may be incorrect. Please consult the telephone listing on page 227 for the new numbers.

**PART ONE:**

**LIST OF INDIVIDUALS**
