## **Internal Examiner**

Mr R Mongwe

**Question 1**

Misogyny (the practice of hating, marginalising and belittling women) is prevalent in many male-centred societies. In the light of the rise in violence against women and other anti-women practices would you say South Africa is a misogynistic society? Discuss this question critically using examples from everyday life to illustrate your argument.

**Question 2**

Feminists across the world share a common goal namely the ending of women oppression and the attainment of women's liberation. Briefly discuss the fundamental aspects of feminism. In your answer pay attention to the differences that exist between Third World Feminists and First World feminists on the other.

**Question 3**

What is grounded theory? Write an essay in which you briefly describe grounded theory. In addition, explain why grounded theory is different from other theories in the social sciences.

**Question 4**

Write an essay on Marxist theory in the social sciences. In your answer pay attention to some of its concepts which include class, means of production, relations of production and historical materialism.

**Question 5**

Write 1-3 paragraphs on each of the concepts listed below:

- (a) Geocentricism
- (b) Modernity
- (c) Third world
- (d) Grounded theory
- (e) Android
- (f) Working class
